FROM THE HEART

Welcome to the first edition of The Ascension Quartet newsletter! God has been faithful to TAQ over the years. We began in 1973, and have continued through the decades to bring the Word of God in song to whosoever will!

Our concerts take us to a variety of places. Of course, we sing in local churches across the Midwest, and enjoy times of worship with the saints.

But we have also ministered in various other venues, as God allows. Your partnership allows people at fairs, benefits, retirement centers, prisons, ... anywhere the gospel is allowed to go- to hear the uncompromised Word! We may be planting the seed, or watering it, But...

God will bring the increase! Let the people say, "Amen!"

MOVED WITH COMPASSION

Many of you know our love for the Compassion, Intl. program. We reach our communities at home, but send our support where we cannot go.

Many children around the world, like John Brix of the Philippines (pictured above), are facing super Typhoons and other major weather events without the advantage of shelters or a substantial structure in which to live or to go for protection.

Pray for the safety of these children, their families, and the Compassion centers and staff who are in harm's way. Our latest information is that these massive weather events are triggering mudslides, as well.

God loves "the least of these" more than we can imagine.. We just need to stand in the gap for them.

CALL AND RESPONSE

As the call of God goes forth in music, the gospel is preached to ground that He has prepared.!

Recently, in concert, we brought the word in song to a hog roast, and 3 responded to the Lord's call! Several came for healing, as well. It thrills us to see the glory of God manifest in our worship concerts!

At another church, a Pastor let us know that as we sang, God began dealing with him on some issues. God is no respecter of persons!

We ministered to a lady who was visibly distraught. The words with which the Holy Spirit prompted us in prayer for her were the very thing she needed to hear, by her confirmation! Praise God!

THE WORD IN SONG

One of our favorite songs is NEVER MADE A PROMISE. It states that "instead of the struggles I'm facing, let me tell of the Savior I know." How important this is! The words we speak have the power of death and life!

We took hold of salvation by believing and speaking (Romans 10:10), and 2 Cor. 4:13 says that our faith, is like David's, who believed, and then spoke. Indeed, believing and speaking is how we lay hold of all of God's promises.

The song goes on to say that through life's trials, we have learned by experience that He is faithful to the end. And "that's why my song- my story- is of Jesus, my Savior and Friend!"

Partners, let's remember to listen to the fruit of our lips. It will reveal what you are believing. What you say can bring you victory or defeat. And isn't God worthy of our Praise over our complaints?

Remember how He has brought you through your dark nights; how He gave you His peace in a life-storm; how he saves, heals, delivers. "Let us hold fast the profession of our faith, without wavering; (for He is faithful that promised)" He 10:23

So you can trust Him today for what you are facing. Your children WILL return to the Lord,; when you give to the Lord, He WILL rebuke the devourer for your sake; He will NEVER leave you nor forsake you. We walk in BLESSING and FAVOR! What is your song- your story?

Speak your WORD and watch God keep His promises. "He's NEVER made a promise that He does not keep!"

Thank you for partnering with The Ascension Quartet. The seed you have sown brings forth a harvest all over the midwest. You share in the rewards and anointing of this ministry!
